

IQX Business Solutions' CAPEX Online Solution enables you to maximise the return on your capital with a seamless digital process to pick the right investments.

## FUNCTIONS

- **Idea collaboration** - capture investment initiatives early and gain expert opinion using digital forms.
- **Project Evaluation** - standardise the classification and evaluation of initiatives.
- **Budget Management** - systematise your spreadsheets and monitor your capital and cashflow budgets.
- **Requests for Appropriation** - easy to use digital forms for capital acquisitions, disposals, and transfers.
- **Review and Approval** - ensures all requests are approved in accordance with your chart of authority.
- **Execution** - automatically creates projects, purchase orders and ultimately assets in SAP.
- **Monitoring** - reconcile budget and actual costs during development and actual benefits received.

## FEATURES

- Mobile responsive Web Application that is **easy to use** for both project managers and your executives.
- Bi-directional **Excel integration** to load your budgets and perform flexible analytics.
- Easy to maintain **automated workflow** to ensure that requests are routed appropriately for approval.
- **Mobile approvals** to expedite time-critical opportunities.
- Built-in **document management** system to ensure that attachments are available for request evaluation.
- Deep bi-directional **SAP integration**.
- Fine-grained access controls and encryption mean that sensitive financial data is highly **secure**.
- **Cloud hosted** or on-premises deployment.

## BENEFITS

- **Accelerate** CAPEX process turnaround time, efficiency and control.
- Make better, more informed and more **confident CAPEX decisions** based on standardised data and supporting documents.
- Ensure capital expenditure remains within your capital and cashflow **budgets**.
- Ensure **compliance** with CAPEX policies with automated workflow and detailed audit trails to demonstrate probity.
- Enable **flexible analysis** based on a centralised, integrated, single source of truth.

A ready to run, mobile responsive, Web App to automate your Capital Expenditure Process.
